Unknown individual: He or She	They -male or female gender / pronouns are not to be assumed, but asked, ideally prior to the interview

***You don't want to be remembered on the wrong side of history!
Use anti-oppressive language, think critically, and listen :)***

Hashtags

-Hashtags are keywords used in social media which are preceded by a # symbol. They serve to aggregate content, and help make posts become more searchable.

-When posting a report online, do a quick search on Twitter to see which hashtags are being used for that subject. Hashtags are not case sensitive (capitalization won't limit search results).

Commonly used Hashtags

#Cdnpoli Canadian politics

#QCpoli Quebec provincial politics

#polmtl Montreal city politics

#Manifencours Used for tweets during demos in Montreal

#MTL Anything Montreal related
